

That's all!
Folks!

1970s

Détente: 1970s

capitalist pig

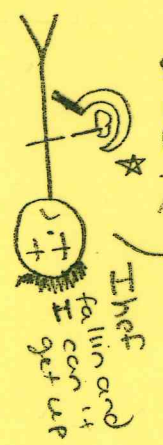

End of the Cold War

(and communism!)
But not.

Foote: why? the idea was so perfect...

(Fall of USSR)

USSR in case you missed the metaphor

We don't need no Education + hard work + hard control

Economic Stagnation

Growth slows to 2%
Consumer goods = Poor quality

Military Spending bankrupting them

Corruption = Party officials live the high life people were starving

Ideology: Economic failures cause people to turn to Capitalism

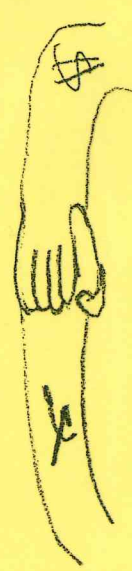

Nationalism: 50% of USSR not Russian, want independence

1985 Gorbachev Returns

Glasnost: Openness Encourage debate, Perestroika - economic reforms

1989 Berlin wall torn down, 1991 Ukraine votes for independence → Dec 1991 - Gor dissolves

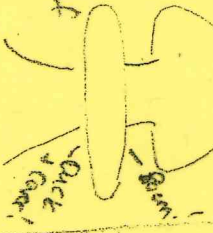

Nuclear Parity! = \$ = \$

1968 - US/USSR/UK Treaty to limit spread of nukes

1970s SALT II 80s

SALT (Strategic Arms Limitations) Limits # of

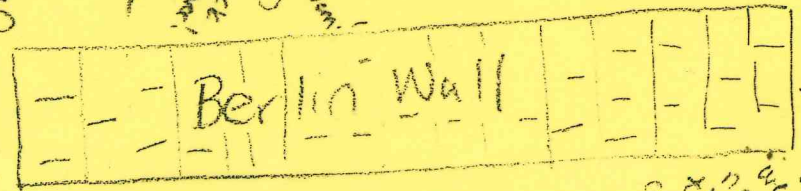

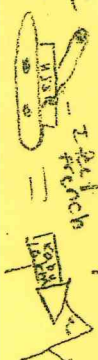

1975 - Helsinki Accords, Accents divided Europe Bi-polar

1979 - EO USSR invades Afghanistan

USA No sign SALT II (citing an already spilling rich diet plus blood pressure)

1988 Soviet pressure - Let's get out of here

1989 Ukraine votes for independence → Dec 1991 - Gor dissolves
