

NAPOLÉON CHANGES THE MAP OF EUROPE !!!

① 1796 the Italian campaign is a success.

Liberty, Fraternity, Equality!
Caught for France only caught

Yay! We are free of Austria Yay Napoleon

- Egypt... Not so much...

We will cut off Britain from India

I don't think so

Heratig Nelson Britain

② However, no one is upset by his loss in Egypt and he declares himself first consul

The Directory is dead

Die directory

AHHH

Institutes the Napoleonic Code (Civil Code)

- unified law, equal rights, property, freedom of Religion, work etc.

③ And then Emperor in 1804.

I order you to have fun. And now I want the world

Not while Britain is still standing

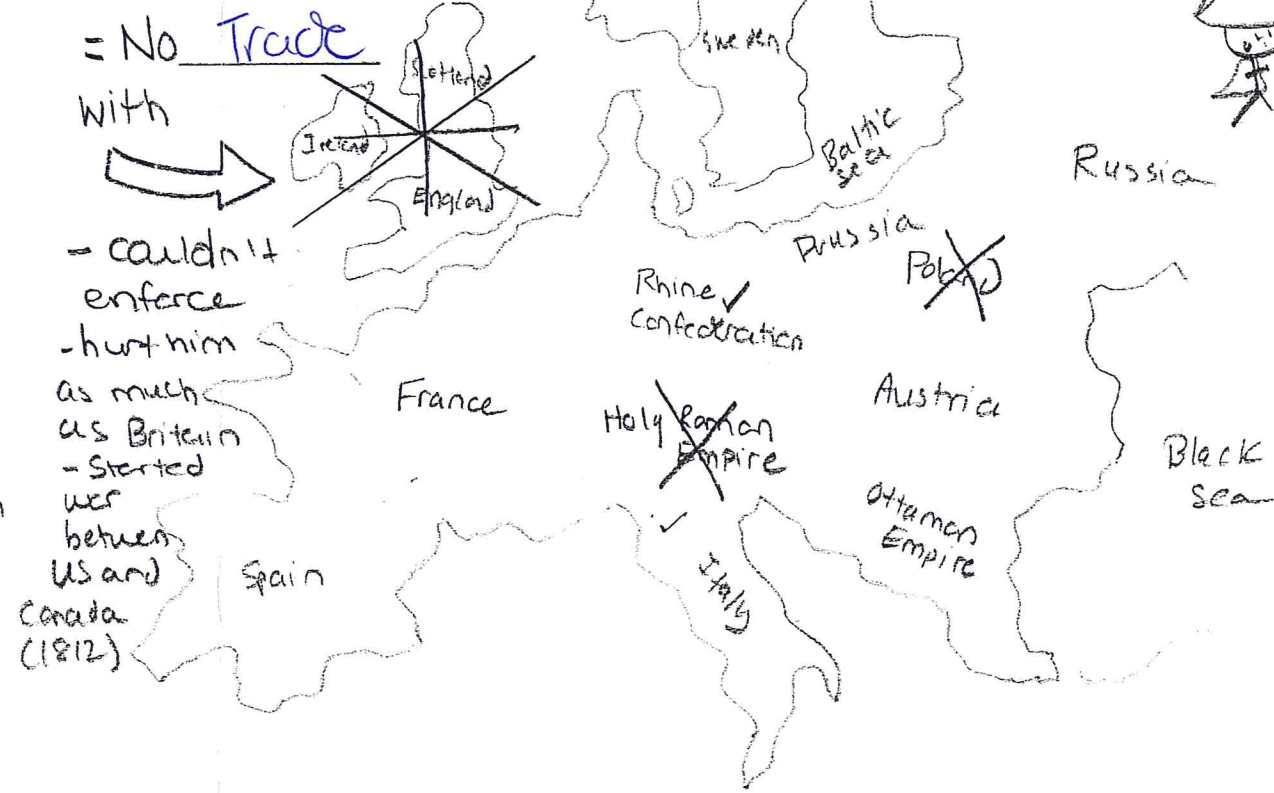

H. Nelson Britain

④ AND NOW... The WORLD!! (well Europe anyway which is the world)

• 1805 Tries to invade England (battle of Trafalgar) fails, spotted before they even got to the docks

- Success at!
- Ulm (beats Austria)
 - Austerlitz (beats Russia)
 - Genoa (beats Prussia)

⑤ Continental System

Nap's Code New laws. No one can Speak out against him

You all love me. Right?

Napoleon is great!

School children must learn lessons about how great he is.

French Revolution brought to Europe All (except Austria, Russia, Prussia) - are a republic - have Napoleonic Code - No serfdom - No aristocratic privileges - army based on merit

⑥ Why Napoleon was such a good general? "His presence on the field made a difference of 40000 men" - Wellington

- good motivator
- Army well trained and professional
- patriotic from French Revolution
- treated as equals
- Napoleon always well prepared
- nice uniforms
- badges, awards,
- good pay, good food
- led to many victories
- disciplined
- idolized Napoleon

But, All good things must come to an end... (stay tuned... for Napoleon's downfall...)
