

Trying Something New (Outline sheet)

Name:

Questions to ask yourself to help decide what to do:

- What do you spend your free time doing?
- What are your future plans?
- What are activities that make time “disappear” for you?

1. What are you going to learn for your project?

2. What are the materials/locations etc. that you will need for tomorrow's class?

3. Are there any people who could help you? (experts etc.)
